Would you say you are getting communication from the field such as time cards, daily field reports, etc.

A New Catalyst for Transforming Construction

The image shows a construction worker in the foreground, wearing a white hard hat and safety glasses, holding a tablet. The tablet screen displays a 'Subcontract Change Order' form from 'P.A.D. CONSTRUCTION'. The form includes fields for 'Change Order Number', 'Date', 'Project Number', 'Subcontract Number', and 'Contract Status'. It also has a table for 'Description of Change' and 'Amount', and a section for 'Accepted By' with fields for 'Date', 'Signature', and 'Print Name'. The background is a black and white photograph of a construction site with cranes and workers.

Poll Question:

Which statement best describes your company when it comes to field generated costs of labor and equipment on a job?

Payroll Processing Savings

- ▶ Payroll / Equipment Costs Daily of Projects
- ▶ Savings Costs in Processing Payroll

“By introducing a solution that allows project managers to submit timecards and other documents daily from the field, we have **reduced the time required to process payroll by a minimum of 25%**”

A tablet with a black bezel and a silver home button is centered on an orange background. The tablet screen shows a blue grid with a list of activities in white text. The first item is 'Record Activities' with an orange arrow icon, and the following four items are 'Record Notes', 'Take Pictures', 'Markup Changes on Plans', and 'Protect Your Company', each with a dark grey arrow icon.

Record Activities

- Record Notes

- Take Pictures

- Markup Changes on Plans

- Protect Your Company

“At the end of the day, the team always takes a photo of the jobsite so that if there are any discrepancies, we have **proof in our system**. This allows us to note progress. And, if other trades come on site and dig up our work and we’re asked to re-grade it, **we have documentation** that shows how we left the site. This has **made a huge impact**.”
