

**GET M-POWERED WITH YOUR
ALL-IN-ONE SOURCE FOR
CONSTRUCTION SOLUTIONS**

**EMPOWERING™
CONSTRUCTION**

IT'S TIME TO GET M-POWERED.

The construction game's changed. Turnarounds are faster. Margins are tighter. Competition's tougher. To manage the increasing complexities of our industry today, you need something better than cobbling together the "usual" software.

It's time to get M-Powered with Maxwell Systems. Only Maxwell gives you innovative estimating, project management, and accounting software, expert services, and best practices from a single source to empower your business.

THE ADVANTAGE OF GOING ALL-IN.

When it comes to construction, Maxwell is all-in. It's our sole focus. That's why we have solutions to help you improve all areas of your business – from takeoff and estimating, to project management, to accounting. With Maxwell Systems, you can:

- Bid more jobs in less time, with greater confidence
- Save time, cut costs, and maximize resources
- Enjoy seamless workflow and better communication among your team
- Boost accuracy and control of data for real-time decision-making
- Manage projects from the office or from the job site

A PARTNER THAT GOES ALL-OUT.

With Maxwell, you've got a real partner and problem-solver on your side. Backed by 35+ years of technology innovation, construction experience, and industry leadership, our experts are there to get you started and stay with you. We offer dedicated services, 24/7/365 support, and strategic best practices to help your business run faster and smarter – from Day 1 to Day 1001.

More than 10,000 businesses – from General Construction, Subcontracting and Specialty Trades, and Heavy Highway – rely on Maxwell Systems as a true partner. And we're ready to stand by you, too.

RIGHT-FIT

CONSTRUCTION SOFTWARE.

GO **ALL-IN-ONE.** GET ALL THAT YOU NEED.

Maxwell knows the power of collaboration. So we built the industry's only all-in-one software to help you handle the complexities of the entire project lifecycle. With a single solution for estimating, project management, and accounting, you empower every member of your team with the tools to communicate faster and react smarter. Plus, it's scalable and flexible, so you can start with what you need now and grow into more as your business requires.

ESTIMATING

Quickly and precisely quantify, price, and bid projects for the best profit. Easily compare plans to identify changes; properly estimate time, labor, and materials to be competitive; and save time to bid and win more work.

PROJECT MANAGEMENT

Turn on a dime with real-time information to keep every project on schedule and within budget. With all documents and reporting at your fingertips, you can gain control, minimize risk, and stay a step ahead.

ACCOUNTING

With rock-solid financial practices, you will always know true job costs, build ideal audit trails, have reliable security, and appreciate easy reporting.

GET SOLUTIONS ALL-IN-ONE OR ONE AT A TIME.

BUILT FOR THE WAY YOU WORK.

CHOOSE SOFTWARE THAT **FITS YOUR TRADE.**

Estimating for MEP

Crank out faster, more precise bids for your Mechanical, Electrical, Plumbing, or HVAC business.

Service Management Solution

Tighten up control of financials, work orders, dispatch, employees, inventory, and more.

Heavy Construction Solution

Take efficiency, accuracy, control, and profitability to higher levels with every project.

M-Power your business with Maxwell Systems.
